## Buses & Street Cars

When the bus arrives, look at the illuminated signs on the front and side which will indicate the route number and destination.  
You will pay your fare immediately upon boarding.

Fare is \$2.50 and exact change is required. Request a transfer ticket if the bus driver does not offer one.  
A transfer ticket will allow you to use King County Metro bus lines as needed for the next two hours.

Google Maps has a public transportation option, which is a great tool when using a smartphone. You may also download the app “*OneBusyAway*” which provides real time arrival information for King County Metro and Sound Transit bus lines. If you do not have a smartphone, each bus stop should have a poster indicating approximate arrival times for each route. When going by these posted times, please arrive at the stop 5 minutes early as a precaution.
