2018 Sponsorship Opportunities

The 12th Biennial Ovarian Cancer Research Symposium is the longest running ovarian cancer focused research meeting in the United States. The meeting is presented by the Rivkin Center for Ovarian Cancer and the American Association for Cancer Research (AACR) from Thursday, September 13th through Saturday, September 15th, 2018 on the University of Washington campus in Seattle, Washington.

About the Event

- The Symposium is in its 24th year and is the longest running and one of the largest ovarian cancer focused research meetings in the United States.
- An array of distinguished speakers representing all areas of expertise in the field of ovarian cancer research and treatment management will draw an engaged audience of ovarian cancer researchers from the US and abroad.
- The Symposium addresses major needs in ovarian cancer research and care by educating health care providers and researchers on the latest findings on improving treatment, early detection, and prevention of ovarian cancer.
- The Ovarian Cancer Research Symposium is a Continuing Medical Education activity with AMA PRA Category 1 Credits™ available.

Audience

- The approximately 400 participants include physicians, nurses, researchers, advocates for ovarian cancer research, and ovarian cancer patients/survivors.
- 2016 Participants were from the United States as well as international visitors from 12 different countries.

About Ovarian Cancer

- Approximately 22,000 women in the United States are diagnosed with ovarian cancer each year.
- The overall 5-year survival rate is only 46% for ovarian cancer and is markedly lower for late-stage cancers.
- When diagnosed in its earliest stages, the 5-year survival rate is over 90%.

With your generous support we are honored to provide the following benefits and recognition:
