Michelle Millman

Emcee

This year we are joined by Michelle Millman who will serve as our Emcee for the evening. As a part of the Emmy award winning morning KIRO 7 News team, Michelle anchors the morning and noon news. Michelle is also a breast cancer survivor and proud to help raise money for awareness and education. We are excited to welcome her to this year's event.

Ian Lindsay

Auctioneer

Ian Lindsay is an auctioneer, actor, and writer. He has been honored to assist a wide range of non-profit organizations in Seattle, around the Pacific Northwest, and beyond. His acting work at the Seattle Children's Theatre, Taproot, Village, and Seattle Opera provides grounding for his auctioneering style. Recently spending many hours writing a TV show, he discovered how hard that is (and fun). A former member of the Seattle Arts Commission, and board member of Shunpike, Ian works to promote the fiscal health of the arts in our community. Ian is proud alum of Seattle University's Philosophy and Drama programs.

2018 *Family & Friends Auction* Co-Chairs
Katerie Laughlin Schei and her daughter, Tabitha Plummer

Welcome to the 2018 *Family & Friends Auction*! We are extremely proud to be chairing this fundraising event, bringing together our Rivkin Center community for the party of the year! The *Family & Friends Auction* raises vital funds to provide hope for thousands of women and their families in our region and beyond.

We originally became involved with the Rivkin Center when our mother and grandmother, Cookie Laughlin was diagnosed with ovarian cancer. We participated in the *SummeRun & Walk for Ovarian Cancer* with all of Cookie's Dream Team, and got involved with the *Family & Friends Auction* to support her in her fight. When Cookie passed away in 2013, we vowed to continue to support the Rivkin Center and the multi-generational fight against ovarian cancer.

Tonight we celebrate women like Elizabeth Crouch, our 2018 **Courage for Life Award** Recipient, and other women like her who bring extraordinary courage and strength to their journey with ovarian or breast cancer, and help spread awareness and early detection. We're also celebrating people in our community like Lynda Gilman, our 2018 **Babs Fisher Valor Award** Recipient, whose dedicated commitment to the Rivkin Center has fueled ovarian cancer research, ovarian and breast health education, and more.

We are also here tonight to raise MONEY! Our goal is to raise more than \$1,150,000 this evening to fund urgently-needed ovarian cancer research, provide more ovarian and breast health education in our community, and support high-risk prevention & early detection screening so that we can get closer to a day when women no longer die from these diseases.

rivkin center

welcome

Thank you to our generous sponsors, lead donors, and to the members of our *Family and Friends Auction* Committee for making this evening possible. Thanks to all of you here tonight who have made this gathering an important tradition, and provided generous continued support. And lastly, welcome to all of you who are joining us for the first time – welcome to the Rivkin Center family!

Please open your hearts and your wallets – give generously this evening, honoring the women we have lost and the women currently battling cancer. Your generosity will fund the work to ensure that future generations will lead healthier lives.

Sincerely,
Katerie Laughlin Schei, Rivkin Center Board Member
Tabitha Plummer

welcome

Women's Lives. Our Passion.

Welcome on behalf of the Board of Directors, the Scientific Advisory Board, and the team of the Rivkin Center for Ovarian Cancer to the 2018 *Family & Friends Auction!*

The *Family & Friends Auction* was the way that my family first became involved with the Rivkin Center. Saddened by the loss of my mother, Colleen Kirwin, after an eight-year battle with ovarian cancer, we began looking for ways to put our grief into action in the fight against this disease. Fortunately, we stumbled upon the Rivkin Center website and learned that the *Family & Friends Auction* was just weeks away in downtown Bellevue – our own backyard! That was back in 2011 and today we're proud to be part of the Rivkin Center family. This event is our favorite way to support the Rivkin Center and its important work.

Since its inception in 1996, the Rivkin Center has awarded more than \$11 million in ovarian cancer research grants to scientific investigators, making it one of the oldest and largest non-profit global funders of ovarian cancer research. The Rivkin Center has become a vital source of awareness and education through the CanCan education program for ovarian and breast health. The Rivkin Center additionally supports prevention and early detection screening for women at high risk for ovarian and breast cancer.

This work and progress has been funded almost exclusively by private support from the community, including donors like you. Thank you to everyone in the audience tonight for being here to celebrate the continued success of the Rivkin Center, and for being a part of the important work ahead. Together, we can help save women's lives.

Sincerely,

Bobbie Hinton
President, Rivkin Center Board of Directors

Legacy Circle

The Saul Rivkin Legacy Circle was established in recognition of our Founder and Chairman, and his relentless quest to end the pain and suffering caused by ovarian cancer. Donors who make a gift to the Rivkin Center for Ovarian Cancer in their will, or through another type of planned gift, are invited to become Circle Members.

If you have included the Rivkin Center in your estate plans, or would like more information about joining the Saul Rivkin Legacy Circle, contact Jaclynn at 206.215.2204 or jaclynn.rodriguez@swedish.org.

IF YOU ARE ALREADY A CIRCLE MEMBER, THANK YOU!

Host an

Ovarian & Breast Health Workshop

Fun. Frank. Empowering.

Early detection starts with education. Empower the people in your life with a fun, frank, and free CanCan ovarian and breast health workshop.

The workshop, led by a health instructor and an ovarian or breast cancer survivor, will cover:

- Signs and symptoms of ovarian and breast cancer
- Risk factors, lifestyle choices, and early detection
- Myths and common misconceptions

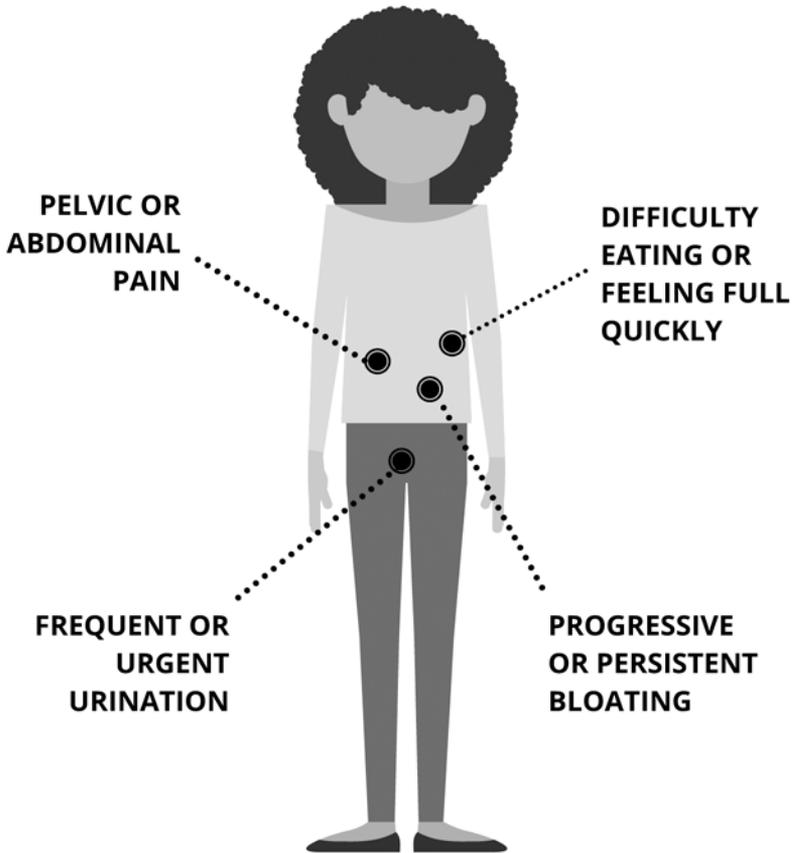

You'll be in a comfortable, safe environment where all questions are welcome and you'll walk away with the tools to be proactive about your health.

For more information, visit www.rivkin.org/host-a-party.

special recognition

Babs Fisher Valor Award

Named in honor of Babs Fisher and her celebrated legacy of passionate and committed service to our community, the Babs Fisher Valor Award recognizes those who provide outstanding leadership in increasing awareness of ovarian cancer, inspiring philanthropic advocacy, and helping to further the mission of the Rivkin Center. Babs husband Eddie and sons Eric, Rod & Craig have continued her committed service to this fight.

Courage for Life Award

Named in honor of Joe and Tyler White's profound commitment to the Rivkin Center and the loving legacy of Joe's wife Lori White and mother Mary Ellen Bissell, the Courage for Life Award recognizes those women who demonstrate a profound passion for life, a generosity toward others, and an important contribution to the efforts of our organization.

2018 Babs Fisher Valor Honoree

Lynda Gilman

We are thrilled to honor Lynda Gilman with the *Babs Fisher Valor Award* this year.

Lynda got involved with the Rivkin Center more than a decade ago and has shown extraordinary commitment to making a difference to help save women's lives. Her philanthropic leadership has been instrumental to the success of the Rivkin Center in furthering its mission to improve women's health by helping women prevent, detect, manage, and survive ovarian and breast cancer.

Lynda Gilman is actively involved with the Rivkin Center and deeply rooted in her volunteer work in the Seattle community. She is passionately involved with numerous organizations and we are fortunate to have her dedication and support of the work of the Rivkin Center.

"Lynda is one of the most passionate and generous people I know," said Rivkin Center Founder and Chairman, Dr. Saul Rivkin. "The Rivkin Center is so fortunate to count on her leadership to help find a cure for ovarian cancer."

Eddie Fisher and the entire Fisher family are honored to award Lynda Gilman the *Babs Fisher Valor Award* for 2018. The entire Rivkin Center family thanks Lynda for everything she has done for the organization and for giving back to our community in such a significant and generous manner.

2018 Courage for Life Honoree

Elizabeth Crouch

We are thrilled to honor Elizabeth Crouch with the Courage for Life Award this year.

Elizabeth got involved many years ago with the Rivkin Center's CanCan education program after attending a CanCan party with her daughters. Elizabeth's oldest daughter, Kristin, is a breast cancer survivor and after experiencing her first CanCan party, Elizabeth immediately wanted to get involved. Elizabeth, PT, PA-C, BCC is a certified life coach and wellness educator, and her background in physical therapy, primary care medicine, surgery, and rehabilitation medicine made her a great fit to join the CanCan team as an instructor. Elizabeth's leadership within the CanCan family and her passion for educating women to know their bodies has been instrumental to the success of the program.

In 2015, Elizabeth was diagnosed with ovarian cancer. Immediately after her diagnosis, Elizabeth called Dr. Charles Drescher at Pacific Gynecology Specialists in Seattle. She underwent surgery, chemotherapy and additional treatment for ovarian cancer. Elizabeth is now healthy with no evidence of disease, and continues to share her journey to help increase awareness of ovarian and breast cancer, and help save women's lives.

Elizabeth is currently a Rivkin Center CanCan education instructor and facilitator along with her daughter Kristin, and a vital member of our Rivkin Center family. Elizabeth is more passionate than ever about the work of the Rivkin Center after the recent passing of her teal sister, dear friend, and fellow Rivkin Center family member Lynn Fallows. Elizabeth believes in the mission of the Rivkin Center to improve women's health by helping women prevent, manage and survive ovarian and breast cancer. She lives in Edmonds with her husband, David and enjoys spending time with her three daughters and family.

Babs Fisher

When Babs Fisher was diagnosed with stage IV ovarian cancer in October 2000, her family and friends rallied around her. Together they focused their energy on raising money and awareness for ovarian cancer. In 2002 they started the *Fisher Family Golf Invitational* to benefit the Rivkin Center.

Babs was known for her commitment and service to our community. Her smile instantly lit up a room and her loving spirit touched so many within our community. When she lost her courageous fight in 2004, Babs' family knew that they needed to do more to find a cure for ovarian cancer. They did not want other families to go through the pain and suffering that they had experienced. With the outpouring of generosity and amazing participation from the community, and in collaboration with the White family, the Fishers created *The Fisher Family & Friends Auction* in 2008. We are so grateful to the Fisher family because tonight's event has become the keystone fundraiser for the Rivkin Center.

In 2012, in continued recognition of the Fisher family's long-standing commitment, the Rivkin Center established the *Babs Fisher Valor Award*. This award recognizes those who provide outstanding leadership in increasing awareness of ovarian cancer, inspiring philanthropic advocacy and helping to further the mission of the Rivkin Center. It is a fitting tribute to Babs, and to the legacy of the Fisher family advanced by Eric, Rod, Craig, and Eddie Fisher and espoused by their family, friends and the community.

special recognition

Lori White & Mary Ellen Bissell

Mary Ellen Bissell raised her nine children as a single mother while working seven days a week and returning to college to earn her education degree. She was diagnosed with ovarian cancer during the time that her daughter-in-law, Lori White, was battling the same disease. A lifelong educator, Mary Ellen was extremely proud of all her children. Together, they shared this battle and the challenges of fighting this insidious disease. After a short 18 months, Mary Ellen passed away in February of 2003.

Lori White battled ovarian cancer for seven and a half years. She was a long-term patient of Dr. Saul Rivkin and truly admired him for his dedication to his patients and their families. Lori endured 22 surgeries and double-digit chemotherapy treatments during her battle. She never gave in to the pains of cancer and she lived her life as fully as possible with all of the challenges that came with the disease. Lori passed away in May 2003, just three months after her mother-in-law, Mary Ellen. As a nurse, she cared for children and adults alike, but clearly shined as a pediatric charge nurse.

Lori and Mary Ellen were the impetus behind establishing the *LorLor & Mom Courage 4 Life Golf Tournament* in 2002, which benefitted the Rivkin Center. In 2008, Lori's husband, Joe White, and their son, Tyler, joined forces with the Fisher family to create the *Fisher Family & Friends Auction*, invaluabley growing the Rivkin Center's cornerstone annual fundraising event to new heights.

The Rivkin Center's *Courage for Life Award* honors The White Family's profound commitment, and the courageous battle that they endured with ovarian cancer. The award recognizes ovarian cancer survivors who demonstrate a profound passion for life, a generosity toward others and an important contribution to the efforts of the Rivkin Center.

CUSTOM OR COMMISSION PIECE BY CORRIE LAVELLE

Work with Corrie LaVelle to have your own commissioned piece for your home! Popular with many friends of the Rivkin Center on Mercer Island, Corrie LaVelle's work is extraordinary and not to be missed.

The birthplace of Corrie Lavelle's work comes from encaustic paintings. In her work Corrie seeks to capture the beauty and fluidity of the hot wax and pigments. Each piece is the result of layers and layers of wax that eventually fuse together to tell a complete story. In essence, she "freezes" this movement by allowing the wax to harden into a permanent state that is both visually striking and emotionally evoking. Corrie and you will work on your commission piece together, creating a perfect personal masterpiece for your home.

Restrictions: Item will be restricted to 36"x48". Commissioned piece not to exceed the listed value.

Love

All of the arts of living, it seems,
Are merged in the spectrum of love.
Friendship, awareness, happiness - all
Fit together like a hand in a glove.

Love is the base and the top of the pyramid
Of our existence, it's true.
It enlarges the vision and expands the heart;
It can be found in everything we do.

Love is the power that lifts us to heights.
It's a dynamic motivation.
It's the creative fire, keeping our torches aflame.
For progress, it's an inspiration.

Love penetrates the mysteries of life.
It's the dove of peace, to be sure.
It is tenderness, compassion, forgiveness and tolerance.
It is in all our motives pure.

Love is the supreme good; and it's down to earth,
Yet it reaches the highest star.
It's the depth of humility and the highest high.
It's everything you are.

Love is the perfect antidote to fear,
Washing away the negative feelings.
The art of love is God at work
Through you in all your dealings.

The Rivkin Center Women's Lives. Our Passion.

The Rivkin Center's mission is to improve women's health by helping them prevent, detect early, and survive ovarian and breast cancer.

We do this by:

- Investing in cutting edge research to prevent and cure ovarian cancer, a deadly and under funded disease.
- Educating women to prevent and detect ovarian and breast cancer as early as possible.
- Fostering an ever growing community of survivors, patients, researchers, clinicians, advocates, and supporters.

The Rivkin Center was founded by renowned Swedish Cancer Institute medical oncologist Saul E. Rivkin, MD (now retired), in memory of his wife, Marsha, who lost her life to ovarian cancer. The Rivkin Center is a joint partnership with Swedish Medical Center and the Fred Hutchinson Cancer Research Center and based in Seattle, Washington.

We envision a world where women live longer and healthier lives because cancers are prevented, caught early, or cured. Thank you for your participation and support in our resolute effort save women's lives.
